

EXECUTIVE COUNCILS REPORT 2021-22

It is my privilege to present the executive councils report for the year 2021-22.

The executive council met 5 times during this term and a lot of important matters were discussed and deliberated. Meetings were conducted online during the pandemic and the EC met physically once when the restrictions were lifted. We recorded almost 100 percent attendance in all these meetings.

The Indian Prosthodontics Society Kerala State Branch held its **AGM** on the 23rd May 2021 on the zoom online platform in connection with the 4th IPSKcon. Delegates from all parts of the state and outside participated in good numbers to make it a pleasing and encouraging start to the year's activity under the pandemic conditions.

The 4th IPS Kerala State conference was conducted in a digital manner and was hosted and conducted in an impeccable manner by the team from Annoor Dental College Muvattupuzha on the 22nd and 23rd of May 2021. The students' sessions started two weeks earlier with more than 155 student papers and 80 posters being presented. The best 5 papers were presented during the conference.

The conference was a memorable event with an impeccable Inauguration, 3 Keynote Speakers, 6 Invited Speakers and the Best Student Presentations. DR Anil Mathew delivered the Dr N George Paulose oration "Moving Beyond the Cult". The Highlight of the day was the Key Note oration by Dr V Rangarajan on TMJ Dysfunction, diagnosis and management. Dr Murtusa delivered the IBP podium lecture in an impeccable manner. The JPID Podium lecture Read Review reflect was delivered by Dr Pragathi Kaurani. Other impressive Key note lectures were delivered by Dr M Shivashankar and Dr Harshvardhan Arya.

Dr Shyam Mohan and Dr Habby were the quiz masters for a highly entertaining and impressive annual Prosthodontic Quiz for the Presidents ever rolling trophy where 19 colleges participated. GDC Kottayam was the winner of the Presidents Cup.

The Virtual Conference was a grand success with seamless presentations, productive interactions between the speakers and delegates, near flawless execution. Kudos to the Organising team under Dr K P Cherian for the same.

The AGM was conducted in an impeccable manner with the election agendas conducted systematically and the new office bearers elected unanimously and installed. Dr. Rohit Raghavan was installed as the president IPS Kerala by Dr. Vinod Krishnan. Dr. K P Cherian was elected as the President elect, Dr. Byju Kurian, Dr. Prasad Aravind and Dr. Manju V were elected to the executive Council.

CDE programs / web talk series and Prosthodontic study circle meetings

IPS Kerala conducted a national level **Symposium on Mucor mycosis**. More than 500 participants from all across the country participated in this highly successful program which was inaugurated by the IPS president Dr Akshay Bhargava.

An array of expert speakers addressed fruitful and meaningful sessions, it was really heart-warming to see all the appreciation to the speakers.

Dr Shyam Mohan, Dr Manju V, Dr Anup Warriar, Dr Pramod Subash, Dr Giju Baby, Dr Saeed Deshmukh and Dr Neeraj were the outstanding

Dr Akshay Bhargava President IPS was the chief guest and an expert panellist.
Dr Rohit Raghavan president IPS Kerala declared the symposium open
Dr Vinod Krishnan IPP felicitated the speakers . DR Rupesh P L Secretary moderated the program. A consolidated SOP as an outcome of the symposium on Mucor mycosis was also published by the branch. A compilation of data on covid -19' is available for download in the website of IPS Kerala.

The Highlight of the prosthodontist day was the release of the **IPS Kerala T Shirts**. These were worn by almost all of the branch members and PG students which created a feeling of oneness and unity among the members. Dr Byju Kurian was the chairman of this project. The IPS Kerala members also actively participated in the clinical enrollment program of the IPS head office and released a Malayalam version of Prosthodontic promotion voice over which was telecast on Radio Mirchi through the IPS head office. The voice over was also distributed through various social media platforms to create awareness.

Journal of Prosthetic and Implant dentistry

It is a matter of great pride that The JPID continued to win the best regional Branch Journal award of the Indian Prosthodontic Society. Dr Prashant Vishwambaran the editor of the Journal won the Best editors award from the IPS Head office.

The JPID is an open access peer reviewed e journal of the IPS Kerala State branch and has published all the scheduled 4 issues of the journal on time this year which is available and free to access on the IPS Kerala web site www.ipskerela.com

The JPID has been accepted as a member of CROSSREF . Crossref makes research objects easy to find, cite, link, assess, and reuse. Crossref has allotted the prefix 10.55231 for us. All the articles published hereafter in the journal will get 'doi'.

We are the first of the IPS Regional Branch Journals to achieve this fete.

JPID has recently passed the evaluation process positively and is INDEXED in the ICI Journals Master List database for 2020. Index Copernicus Experts has calculated our journals Index Copernicus Value (ICV) for 2020 as ICV 2020 = 62.99.

JPID is already indexed in the Indian Citation Index recently Hearty Congratulations to Dr Prasanth Vishwambaran and his editorial team for the tremendous and hard work put in to see that the journal reach this great heights.

Rebase 2022 (Exam Oriented training program for PG students)

Rebase 2022 the premium academic program for exam going PG students was hosted in a highly impressive manner this year by the team from Royal Dental College Kerala, under the able leadership of Dr. Rohit Raghavan, Under the aegis of IPS Kerala State Branch

The IPS Kerala State Branch has been conducting the exam-oriented PG training program since 2015 The reach of Rebase 2022 could be well appreciated from the sheer number of registrations we received. It is a matter of great pride that we had 316 participants not only from Kerala but all across India and also from abroad. This year we had 11 intense lectures and a demonstrative lecture online over 3 days from 25th – 27th March 2022.

All the lectures were meticulously planned and we thank all the exemplary mentors and moderators for taking their time out and selflessly contributing to the students cause.

Accounts:

The accounts of the IPS Kerala state branch is audited and accounted by the IPS Head office chartered accountant. This year the treasurer had audited and submitted IPS P G Convention accounts. The balance sheet of this year is being prepared and will be circulated to all the life members as soon as it is received from the IPS head office-chartered accountant. The state is also up to date with its GST compliance. Thanks to Dr Tony Thomas who has done an excellent job as its treasurer and for the committed efforts.

IPS Kerala Web Site – www.ipskerala.com

The IPS Kerala hosts a very active website which hold all the information of the branch and its membership and activities. The website also holds the link to our much-prized publication Journal Of Prosthetic and Implant Dentistry.

The IPS Kerala also hosts a YouTube channel where all its academic events are streamed

Miscellaneous activities

The IPS Kerala has actively promoted in various other events

We recently designed and promoted a flyer to commemorate World Oral health day and thereby promoting the specialty through the same

IPS Kerala also commemorated the world cancer day Oral and Maxilla facial surgeons' day through various impressive flyers

Promotional flyers were sent to all the doctor community and groups on national Doctors day

The branch also commemorated world Environmental day with promotional and educative flyers.
